Sun Prairie, WI 53590

## EXPERIENCE

2016 - Present

**Crankset Creative** Sun Prairie, WI

### Freelance Web Designer & Front-End Developer

Responsible for the design, development & maintenance of numerous client websites. Duties include UI/UX design through wireframing & mock-ups, front-end development (HTML, CSS & Javascript), deployment of Craft CMS, ExpressionEngine & WordPress content management systems, multi-device & cross-browser testing, and project management.

2007-2016

**e-Media Resources** Sun Prairie, WI

### Senior Web Designer & Front-End Developer

Responsible for the design, development & maintenance for over 50 client websites. Duties include UI/UX design through wireframing & mock-ups, front-end development (HTML, CSS & Javascript), deployment of ExpressionEngine & WordPress content management systems, multi-device & cross-browser testing, server administration, corporate branding & logo design, and project management.

## EDUCATION

1995-1999

**The University of Wisconsin - Platteville**  
Communications Technologies  
Management - BA

## ABOUT

I am a multi-disciplinary visual & interactive designer with a passion for creating clean, user-centered design.

I love all things outdoors, endurance sports (especially triathlon), DIY projects, and spending time with my wife & three energetic kids.
